 <p>The flowchart describes the process of a student's exam request. It starts with two parallel inputs: a student submitting a request letter and documents to an academic unit, and a representative from SKSDB submitting a delegation letter. These are then reviewed by the Education and Teaching Commission and presented to the Academic Unit Management Board. A decision is made: if approved (H), the student's request is processed and filed; if not (E), the request is forwarded to the relevant instructor, who determines a date and informs the student. Finally, the instructor conducts the exam and records the grade, which is then sent to the student services unit.</p>	<ul style="list-style-type: none"><li>Öğrenci</li><li>Bölüm/Program Başkanlığı</li><li>İlgili Kurum ya da SKSDB</li><li>Eğitim Öğretim Komisyonu</li><li>Akademik Birim Yönetim Kurulu</li><li>Öğretim Elemanı</li><li>Yazı İşleri Personeli</li><li>Birim Öğrenci İşleri</li></ul>
